ADVANTAGE

The Eldorado National "Advantage"

20' to 27' STEEL CAGE CUTAWAY BUS

The Advantage is an affordable entry level vehicle which is lighter, yet built to handle medium duty transit and retail use. In addition, it adds a faster return on initial investment. The fully integrated steel cage body construction is available in lengths from 20' to 27'.

A variety of options allow you to tailor the Advantage to meet both your transit and retail passengers' needs.

THE ELDORADO "ADVANTAGE"

The Advantage gives you more with change to spare; it's simply a great low cost alternative. And thanks to our enhanced production process, Advantage owners can expect faster delivery.

BUILT FOR BUSINESS

A steel cage constructed from lightweight materials make the Advantage the ideal choice for any retail or transit application. Built in Eldorado National's ISO 9001 certified manufacturing facility, the Advantage provides superior build quality and support from start to finish.

MORE COMFORT ADVANTAGES

Designed for passenger comfort the Advantage is lighter and quieter. With better handling characteristics it's a softer ride for exceptional passenger comfort. Retail or transit, the Advantage will meet your transportation needs.
